# ABOUT US

At eGlobe Solutions, we are dedicated to empowering property owners to maximize their revenue through cutting-edge technology and innovative solutions. Established in 2007, we have proudly partnered with over 7,500 properties worldwide, helping them achieve exceptional growth and success in the competitive hospitality industry.

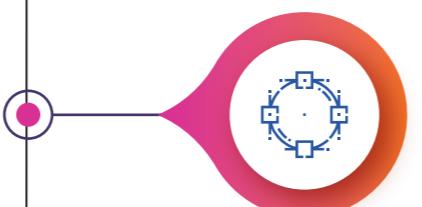

Our comprehensive suite of services includes Booking Engines, Google Hotel Ads, Channel Manager, Website Designing, Payment Gateway Integration, Cloud PMS, Cloud POS, OTA listing and Mobile Application. These tools enable property owners to enhance their online presence, streamline operations, and boost bookings effortlessly.

With connections to over 100 channels, including major players like Airbnb, Hostelworld, Hotel Beds, Ctrip, Booking.com, Expedia, Agoda, and many more, we ensure your property gets the visibility it deserves. Our mission is to provide innovative solutions that drive revenue and simplify property management.

Partner with eGlobe Solutions and experience the difference our expertise and technology can make for your property.

# FEATURES

## CLOUD PMS

There is no longer a need to manually enter OTA bookings into your PMS. Our Cloud PMS takes care of it all for you. It automatically assigns room numbers, generates Pro-Forma Invoices, produces reports, and offers many other exciting features.

## CHANNEL MANAGER

eGlobe Channel Manager boasts a comprehensive range of advanced functionalities, including Dynamic Pricing, Derived Pricing, Rate Parity Alerts, a Central Reservation System, and a Retry Queue.

## CLOUD POS

Eliminate the need for multiple devices and outdated point-of-sale systems. Our cloud-based point-of-sale solution streamlines the billing process, including billing to rooms, generating pro-forma invoices, maintaining GST reports, and more for your hotel and restaurant operations.

## BOOKING ENGINE

The eGlobe Booking Engine is distinguished by its inventive one-page booking system, which enables users to apply several discounts, reserve multiple rooms, select from various payment gateways, and make full or partial payments.

## GOOGLE HOTEL ADS

Introducing a seamless integration between your eGlobe Hotel Booking Engine and Google Hotel Ads, allowing you to showcase real-time rates and availability and only pay for confirmed bookings generated through your advertising efforts.

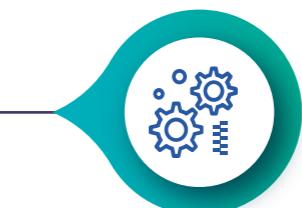

## MOBILE APPLICATION

Upgrade your hotel's services by providing a high-performance mobile application. Elevate your guest's satisfaction with a seamless and user-friendly interface that offers convenient access to events, directions with Google Maps, and much more.

## WEBSITE BUILDER

eGlobe provides a website building solution that is optimized for search engines and designed to be responsive, delivering a seamless experience for your visitors.

## PAYMENT GATEWAY

At eGlobe Solutions, we provide hassle-free and easy-to-use integration with a wide range of payment gateways, including but not limited to Paypal, iPay88, Razorpay, Airpay, PaySwift, and Ingenico.

## EVENT BOOKING ENGINE

A convenient solution for confidently promoting your events online. Whether it's a New Year's party, birthday celebration, dinner gathering, or any other type of event, our platform allows you to effortlessly manage ticket inventory & accept payments seamlessly.

## OTA LISTING

Enhance your global visibility by getting onboarded on multiple OTAs. This strategic move ensures your property is showcased across various platforms, reaching a wider audience and increasing your chances of attracting more guests from around the world.
